LEARNING FEET

Our children in all of Logan County deserve the right to wear a comfortable, nice pair of sneakers! *Happy Feet Equals Learning Feet's* goal is to size all children in our local school systems in need of shoes and deliver a new pair of shoes to them by November 15. Shoe Carnival is providing the shoes for the program at a great price.

This cannot be done without community support!

The Russellville Rotary Club, sponsors of this program working with the Family Resource Centers of the schools, has already committed \$5,000 toward a goal of \$12,000+. If you would like to receive further information about donating toward this needed program, please contact

a Rotary member or:

Jim Riley: 725-7657 or 725-0938

jriley7325@bellsouth.net

or:

Bill Krepps: 726-2101

dixmate@bellsouth.net

We are now accepting Corporate, or Individual donations (\$32-\$38 x No. of pair of shoes).

Please make your checks out to the Russellville Rotary Foundation.

Your Contribution is tax deductible with 100% of the funds going toward the purchase of athletic shoes to be given to each eligible child.

You may give a check to the Rotarian contacting you or mail to:
